Dear Crystal,

I just wanted to write and say "Thank You" for your work on our account, and especially for this last month's issue. We were very pleased with everything that went to print, and are very excited about the prospects it could bring. It's always a pleasure to talk to you on the phone, as kind voices seem less common these days. Once again, thanks for your hard work and professionalism, and we look forward to a continued relationship with The Park & Rec Trades.

Sincerely,

Jason Mitchell
